Confirmation

This is to confirm that on its 27th meeting in October 2005
the LOVAG Management Committee has approved the

TECNALIA Electrical Equipment Laboratory Vega de Tapia s/n E - 48903 Burtzena-Barakaldo

as LOVAG registered Laboratory
under the registration number: ES 02

This certifies that all the requirements for independent testing in compliance
with the LOVAG Agreement have been fulfilled.

LOVAG Test Reports produced by this laboratory can be used for the issue of
LOVAG Certificates by the Certification Body Applus+LGAI, E-08193 Bellaterra
(Barcelona), being a member of LOVAG.

Michel Brenon
Chairman of LOVAG
