DIH-HERO -Knowledge Conference

The final preparation for the DIH-HERO Knowledge Conference is picking up speed

During the 1st DIH-HERO Knowledge Conference, organised on **May 19th and 20th** you are invited to take part in a tailor-made event for all players in healthcare robotics. A varied program with expert talks and plenary discussions is on the agenda for these two days: You will find manufacturers who started with robotic products and share their experiences, you can expect input on regulations and standardization, get information about funding opportunities and you will get answers about significant topics concerning robotics in healthcare such as acceptance and experiences of the end-users in a clinical and healthcare environment.

Do not miss the valuable insights about healthcare robotics and new innovations and funding opportunities and register for the DIH-HERO Knowledge Conference!

Check our link and get registered:

For more information about the sessions check our [conference website](#).

Preliminary Agenda:

Wednesday, May 19th

Time	Topic
9:00	Opening
9:15	Medical Robotics - ongoing topics (webinar)
11:00	Break
11:30	Plenary discussion: Acceptance of robotics in healthcare
12:30	Break - Matchmaking
13:30	FSTP from DIH-HERO
14:00	Funding and startup incubators
15:45	Horizon 2020 - Healthcare robotics projects

Thursday, May 20th

9:00	Certification/Standards
10:45	Break
11:00	Technology and test environments
12:45	Break and Matchmaking
14:00	Success stories
15:45	Closing
